# WHAT'S NEXT?

## 4-H Projects & Clubs

**Cabarrus County 4-H supports youth learning all they can about a topic that interests them. If you are interested in learning more about a specific topic, joining a club can help you explore more. Youth are encouraged to complete a year long 4-H project, collecting experiences related to their interests. Project Records help build organizational skills, as well as focus on sharing what is learned with others through community service, leadership & citizenship. Club volunteers & 4-H staff are here to help youth make the most of their 4-H projects.**

We are always seeking adult volunteers to start or enhance existing 4-H Clubs. Inquire today!
