Initial	I understand that I may be working with approved staff other than the 4-H agent. Staff coordinating the event for which I am volunteering is responsible for informing me of my responsibilities as a volunteer participant, and will provide any specific training needed to carry out these duties.				
Initial	I understand that I can earn "Gold Status" as a Junior or Cloverbud Leader if I volunteer 60 hours over the summer and complete the entire training process (application, interview and training). Upon earning "Gold Status" I earn higher ranking in eligibility for scholarships from the Cabarrus County 4-H Foundation.				
Initial	I have reliable transportation and can manage my schedule to allow for balance between this responsibility and other personal and professional pursuits. I will schedule which summer classes for which I am available and interested by May 1 to Molly Kleman.. I will give one week minimum notice for any change in that summer schedule.
